AR 600-55

The Army Driver and Operator Standardization Program (Selection, Training, Testing, and Licensing)

This revision consolidates information and instructions relating to Army motor vehicle and equipment operators' selection, training, testing, and licensing. Specifically, this regulation--

- o Outlines responsibilities for conducting the motor vehicle driver program (chap 1).
- o Identifies licensing requirements for applicants for motor vehicle driver positions (chap 2).
- o Describes the process for choosing potential drivers (chap 3).
- o Describes the training program for drivers of all types of vehicles and equipment (chap 4).
- o Describes the testing program (chap 5).
- o Describes the controls on issuing licenses (para 6-1).
- o Describes the types of licenses that may be issued (paras 6-2 and 6-3).
- o Describes the procedures for renewing, revoking, or suspending licenses (para 6-4).
- o Provides procedures for qualifying operators to use special equipment and night vision devices (chaps 7 and 8).
